

Certificate 1 Transition Education 22301VIC

**Moe Life Skills
Community Centre**
Achieving Goals and Aspirations

NDIS provider of quality education, training, disability and community services

This course is suitable for people with disabilities, particularly those with learning needs, to assist in transitioning from a school setting into a community setting.

Students can develop a range of skills to help them plan their next steps and prepare them for community activities, voluntary work or further training.

It is a great environment for students to develop their independence, decision making skills and self confidence, meet and interact with new people and work towards their full potential. We have small class sizes to cater for the individual needs of students. The course will be delivered in the classroom, with some activities, excursions to be in the community.

You can find our Student Handbook which has more information about Moe Life Skills and our training on our website.

Students will be issued with a Certificate at the successful completion of the course or a Statement of Attainment for successful completion of individual units.

Welcome to Moe Life Skills Community Centre (MLSCC) and Vocational Education & Training (VET). The government provides MLSCC with some money to deliver accredited courses.

There are many benefits and challenges when you decide to take a course of study. Some courses are held during the day and some are held at night.

Some people want to get a qualification, some want to have new experiences and learn new skills. It is important to think about why you are studying and to stay focused on achieving your study goals.

MLSCC is proud of its qualified and experienced Trainers & Assessors and support staff. Classes are small and supportive where students are valued and individual needs can be catered for.

We wish you all the very best in your studies at MLSCC. If you need more information, or you do not understand the handbook or want to discuss your course you can speak to your Trainer or Administration staff at Moe Life Skills.

Aim and Philosophy of Moe Life Skills Community Centre

The aim of Moe Life Skills Community Centre is to facilitate adult vocational and education training and independent skills development to assist people with disabilities to fully exercise their rights, and achieve their aspirations as individuals within the community.

*MLSCC aims to make a difference in the lives of people living with a disability.
Making a difference informs everything we do.*

The organisation also supports the development of new ways of doing things and improving programs for people with disabilities.

Before you enrol in the course

Pre Training Review and a Foundation Skills Assessment

Students are assessed if they are suitable for the course or unit in which they wish to enrol. This can be done by asking questions about other courses you have done, what current skills you have, reading through school reports, completing some written tasks and speaking to your family or staff. This information will be used to advise you on the most suitable course or unit for you, plan a pathway for more study or to help you with getting a job. If this course is not the most suitable for you we will let you know.

Fees: Full Price \$250.00 (\$0.43 cents per student contact hour) Concession \$ 50.00
Approximate Government Contribution: \$14 per student contact hour
For more information on fees, please see our website or speak to staff.

***This training is delivered with Victorian and Commonwealth Government funding.
Enrolment into this course may impact your entitlement to future government funded training.***
